

19<sup>th</sup> January 2023

Dear Year 4 Parents,

**Multiplication Tables Check – Information Meetings for Parents-UPDATE**

Unfortunately, we have had to reschedule the **Multiplication Tables Check Meetings**. These will now be held on **Tuesday 31<sup>st</sup> January 2023**. There will be two sessions, one at **9am** and then repeated again at **6pm**, both in the Lower Hall. You may choose which session to attend. We are sorry for any inconvenience this change of date may cause.

All children in Year 4 are assessed in fluency and recall of their times tables up to 12, which is essential for future success in maths. These assessments take place early on in June. The aim of the information meeting is to provide you with further information about this assessment and to share ideas on how to support your child at home.

We look forward to welcoming you to one of the sessions. If you are unable to attend, the presentation will be available to view on the Bowes website shortly after.

Thank you for your support.

Miranda Thompson

**Deputy Headteacher**

Joel Hockman

**KS2 Assistant Headteacher**
