1<sup>st</sup> April 2021

Dear Parents,

With there still being Government restrictions in place, we wanted to highlight a few reminders concerning positive COVID-19 cases, international travel and quarantine periods.

## **COVID-19**

We would like to remind all families to inform the Bowes Office if your child tests positive for Covid-19 at the start of the holidays. This will help us in identifying close contacts and advising self-isolation.

## **International Travel**

As we approach the break, we must also remind all families that international travel from the UK is only legally permitted for a small number of reasons. If during the holidays, you and/or your family are required to travel, please follow all the necessary requirements on your return, including quarantine measures and Covid-19 testing. Full details regarding permitted reasons for travel, steps to take before leaving the UK and preparation for return can be found on the government website: <https://www.gov.uk/guidance/travel-advice-novel-coronavirus>

Please note that travel advice is ever-changing.

We hope that you all have a happy and restful Easter break and we look forward to seeing you all in the Summer Term.

Best wishes,

Effie Demetriou  
Headteacher
