

# Year Three Home Learning Project

## Summer 2

- You should choose at least three out of the eight options below. You could think of your own idea for some research/project ('Brain Wave') as one of these.
- Please ensure you have some evidence of your Home Learning to share with your teacher. This may be presented in the Home Learning book that you have been given, or you may choose to present it in other ways e.g. using IT, creating a sculpture- be creative with how you present your work.
