

Year One Home Learning Project

Autumn 2

- You should choose at least three out of the eight options below. You could think of your own idea for some research/project ('Brain Wave') as one of these.
- Please ensure you have some evidence of your Home Learning to share with your teacher. This may be presented in the Home Learning book that you have been given, or you may choose to present it in other ways e.g. using IT, creating a sculpture- be creative with how you present your work.

	Calculate or Reason	Write	Teach	Create	Visit	Investigate	Watch or Listen	Brain Wave!
Our Learning Quest: Enfield Explorers Victoria Class Amazing Enfield Angel Class	Skip counting: Practise your counting skills by counting in 2s, 5s and 10s. Can you create a counting caterpillar in your book? 	Write some fun facts about your family. Can you compare where they grew up and where you are growing up? Are they the same or different?  REMEMBER: Capital letters Finger spaces Full stops	Teach a family member the different symbols on a map and what they mean. 	Create a map which shows your route from home to school. Try to draw some key landmarks that you pass! 	Teach your grown-ups your route to school. Talk about keeping safe. 	Take a visit to one of your favourite places in Enfield. Can you draw a picture of that place and write a sentence explaining why you like it so much. 	Listen to the story of Ruby worries. https://www.youtube.com/watch?v=9lhhCq44ar8 Discuss this story and why it is important to share your worries. Discuss who you can share worries with, i.e. parents, teachers etc. 	

Your Home Learning should be completed mid-way through the half term. We would like you to complete your work in your Home Learning book and bring it back into school on the hand in date. **Please submit any photographs of creative projects to your Google Classroom.**
