Additional Chromebook Feedback

Chromebooks are regularly checked by the school. Some of the following have been found:

- Watching Fortnite on YouTube
- YouTube pranks
- Non-educational games

The school also monitors the time children have been using their Chromebook – some are being used for long periods and late at night.

Chromebooks are for the children and should not be used by adults. The school carries out regular internet browsing checks. 'Search history' cannot be deleted. We also use software which detects inappropriate use of the Chromebooks and will take a screenshot of this.

Chromebooks belong to the school and are loaned to the children. They must be treated with care – please refer to the signed agreement.

Do not eat or drink over the Chromebook.

It is important that the children's use of their Chromebook is monitored both at home and school. **Please ensure you monitor this at home.**

Year 1 Chromebooks will be distributed after the agreement has been sent and signed by the parent.

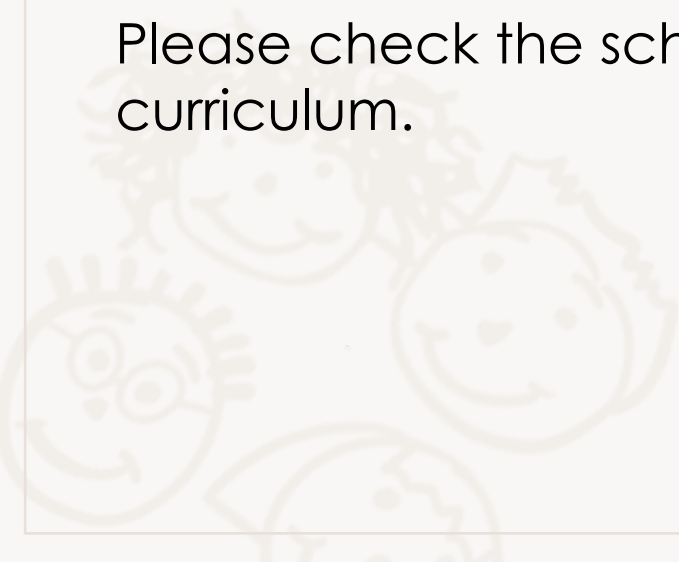

Curriculum

At Bowes we aim to provide a creative and balanced curriculum that meets the needs of all our children.

Our Learning Quest this term is Globe Trotters.

Please check the school website for updates on the curriculum.

Ways to help at home...

- Hearing them read at home each day.
- Encouraging them to learn their spellings either on 'Spelling Shed' or using the list of spellings on Google Classroom.
- Practising their times tables with them – they can use either 'Times Table Rockstars' or 'Hit the Button' on their Chromebooks or just practice them orally.
- Encouraging them to do their 'Myimaths' tasks and telling you about what they've been learning in class.
- Discuss their Learning Quest home learning options with them and help them to complete 3 tasks each half term.
