## Home Learning Pack

### Dear Parents

- We have provided several tasks that will support your child's learning during the current school closure.
- Many of the tasks are based on what the children would have been studying in class.
- Work can be recorded in your child's Home Learning book where appropriate.
- As teachers will not be able to oversee or feedback on this work, any support you can provide will be helpful.

ReadWriteInc on youtube. Please practise saying your sounds, like the little girl in the ReadWriteInc film.

Look at the following pictures to help with your FREEFLOW activities.  
Choose which ones that you would like to do.

Try using a cupcake case for this snail.

You will need:

375g pack ready-roll puff pastry  
6 tablespoons ready made pasta sauce (not too chunky)  
If you want - 100g wafer thin ham  
100g mature cheddar grated  
1 egg - beaten  
1 teaspoon dried oregano or mixed herbs.

Preheat oven to Fan 180 (conventional oven 200) Gas Mk 6

Unroll the pastry onto a lightly floured surface & roll it out to 40 x 32 cm  
Spread a layer of pasta sauce over it - leaving a 1cm border around the edges.  
If using ham put it evenly on the top. Scatter the grated cheese over.

Start at one of the short ends - roll the pastry up as tightly as possible.  
Chill in the fridge for 10 minutes.

Grown-up - take a sharp knife & cut the roll into 12 equal slices, laying them flat on 2 non-stick baking trays.  
Brush each pinwheel lightly with beaten egg & sprinkle over the herbs.  
Bake for 12-15 minutes until puffed & golden.  
Leave to stand for 5-10 minutes before serving.

## SNAIL TRAIL

Remove the crusts from square slices of brown bread & flatten them using a rolling pin. Children choose a filling such as cheese spread, jam, marmite or honey - & spread it over the slice of bread.

Starting at one end, carefully roll up the bread into a sausage shape.

Slice the rolls into 2cm thick rounds.

Stand the spirals of bread on their sides, with the edge of the bread just poking out from the bottom.

Add 2 small pieces of carrot at the join to make the antennae.

Place some shredded lettuce on the plate & make a 'trail' over it with mayonnaise.

Arrange the snails around the trail.

Enjoy eating them.

Make some curly Snails from paper or card.

Can you find some natural objects like these pine cones - make some beautiful art outside - like Andy Goldsworthy.

Here are some more:
