

Transfer to secondary school 2024

Admission to secondary school 2024

If your child is in year 6 of primary school in September 2023, you will need to apply for them to start their secondary education for September 2024. You can register and apply online at [eAdmissions](#). Online admissions open on 1 September 2023. The application deadline is 31 October 2023. Applications can be made after this date but will be treated as late applications. You can view guidance in our [step-by-step guide to applying online \(PDF, 292.84 KB\)](#).

Places at all Enfield secondary schools will be allocated in line with the published admissions arrangements, which can be found in our [guide to secondary schools](#).

Visiting secondary schools

Schools will be holding open evenings for parents to visit in September and October 2023.

For information on dates and times of open evenings, view [applying for a secondary school for September 2024 \(PDF, 1126.13 KB\)](#).

Check the websites of schools you're interested in for further details.

For information about the breakdown of allocations at Enfield schools for children starting in Year 7 for the previous 4 years, view our [Secondary Transfer Previous Allocations Breakdown Leaflet \(PDF, 272.7 KB\)](#).

If you would like your application to be considered under the medical criterion, see our [medical priority guidance](#) - not all schools have this as part of their admission arrangements.

If your child has an Education, Health and Care Plan (EHCP), the arrangements for your child's transfer will be different. The SEN Services Team will contact you directly to explain the process further.

To search for primary, secondary and special needs schools in Enfield and across England, visit [GOV.UK - Find and check the performance of schools and colleges in England](#). Here you can access Ofsted reports, information on school performance and approximate home-to-school distances. These are only a guide, as we use our own specialist systems to measure distances when allocating places in Enfield.
